

⑥ READ, INITIAL AND SIGN WHERE INDICATED

Read and initial each of the following statements prior to signing this application:

	I understand that land use and/or planning permits do not authorize earth disturbing activities, the removal of vegetation, or the construction of buildings. I understand that additional permits will be required after my land use and/or planning permitting process is completed. I understand that no earth disturbing activities (including the removal of vegetation) may take place until after my land use and/or planning process is complete, and only after I have received additional permits such as Fill & Grade, Building Utility, or Right-of-Way permit(s).
	I understand that if critical areas (wetlands, streams, steep slopes, et cetera) are found on or near my property I am not authorized to impact these areas in any way and will be required to leave an undisturbed buffer area around the critical area. I also understand that depending upon the size and scope of my project that I may be required to enhance a critical area buffer.
	I understand that depending upon the size and scope of my project, I may be required to provide maintenance and/or performance bonds for items such as landscaping, critical areas, public roads and/or public utilities that I construct or install.
	I understand that I am solely responsible for providing complete and accurate information to the City. I understand that if my application is missing information or if inaccurate materials are submitted, my permits will be delayed. I understand that depending on how inaccurate and how incomplete my application is or becomes, the Development Services Department could require an entirely new application be submitted. I understand that when and if conditions change from that which my application originally represented, I am responsible for letting the City staff person assigned to my project know.
	I understand that I am applying for permits from the City of Mount Vernon only; and that additional permits from other Federal and State agencies could be required. I understand that the City of Mount Vernon cannot advise me of permits that are required from other agencies, and that I must contact these agencies to make sure I comply with their requirements. These agencies include (but are in no way limited to): Corps of Engineers, Department of Natural Resources, Department of Ecology, and Northwest Clean Air Agency.
	I understand that I may be required to properly and timely post a pink land use sign on my property during land use and/or planning permitting process. I understand that I am responsible for making sure that this sign continues to be posted on my property until my land use and/or planning process is completed; and I understand that I am responsible for removing and disposing of this sign once my land use process is completed.
	I understand that I will be responsible for paying consultants that the City may deem necessary to review certain aspects of my application. I understand that these consultant reviews could include special inspections, traffic concurrency, critical area, landscaping, et cetera.
